

EMC VNX vs HPE 3PAR Flash Storage

	EMC VNX	HPE 3PAR Flash Storage		
نام های شناخته شده	VNX	InServ, Storeserv, 3PAR Flash Storage, HP Enterprise Storage, 3PAR Flash Array, HP 3PAR Flash Storage		
بررسی اجمالی	With EMC VNX you'll have the right blend of flash, capacity, and application-aware software. Scale up storage for midrange workloads, optimized for virtual applications and cloud environments.	HP 3PAR all-flash storage accelerates business agility by boosting application performance with over 900,000 IOPS at less than 0.7 ms latency. And it does this while delivering all the enterprise-class, Tier-1 features and functionality you expect from the storage platform that powers three of the world's four largest managed service providers.
